## PREMIUM WINES

### **SAN MARTINO PROSECCO DOC** | 150ml. Veneto, Italy.

*San Martino Prosecco has become very popular both in Italy and abroad, thanks to its drinkability and pleasantness of the bubbles combined with floral and fruity character. The production area is entirely in the province of Treviso, and more precisely in the hills between Vittorio Veneto, Conegliano and Valdobbiadene. The nose is intense with strong floral and fruity aromatic notes. The palate is pleasant and dry, with a long finish.*

### **LS MERCHANTS VERMENTINO** | 75ml. 2023. Margaret River, WA.

*An Italian variety, slightly lighter in alcohol with citrus and salty vibes. Perfect with seafood, ice cold on a hot day. Sourced from vineyards in Margaret River and Frankland River, fermented in a mix of stainless steel and 1800L foudres. It has beautiful purity with soft, talcy tannins and a juicy acidity.*

### **TERRA SANCTA MYSTERIOUS DIGGINGS** | 75ml. 2021. Central Otago, NZ.

*Mysterious Diggings is a single vineyard Pinot Noir from Terra Sancta's high altitude Mysterious Diggings vineyard located in the premium Central Otago subregion of Bannockburn. Vines grown at 300 meters above sea level in sandy soils produce flavourful, pristine Pinot Noir. Hand-picked and treated gently in the winery, Terra Sancta's goal is to preserve the beauty of the fruit to create this delicious, vibrant Pinot.*

### **WHITE GATE WINE CO OTTO** | 75ml. 2022. Barossa Valley, SA.

*This red blend sees Greenock Organic Grenache and Mataro alongside a small portion of Valley Floor Cabernet Sauvignon. All ferments were treated with minimal punchdowns and the Grenache sees a large portion whole bunch. The resulting wine has bright floral aromatics met with gnarl and crunch.*

### **TRENTHAM ESTATE NOBLE TAMINGA** | 45ml. Trentham, NSW.

*A late picked botrytis style sweet wine from the unique variety Taminga. Light yellow gold in colour with aromas of citrus blossom and honey, lusciously sweet with lingering flavours of apricot, orange peel and toffee.*
